

INCREDIBLE EDIBLE OADBY & WIGSTON

Dig, plant, grow fruit, herbs and vegetables in community spaces around our borough. Once the vegetables are ready they can be picked **FREE** by anyone who eats!

IF YOU EAT, YOU ARE IN!

We need **volunteers** who have time to help us start our incredible journey. If you want to know how to grow veg, have gardening equipment and want to get your wellies on, have fun and spread a little kindness then **contact Dave Cliffe on 07977015674**
