Colour Hunt

The Peace Memorial Park has less space to run around than some of our other parks, but there is still plenty to explore within it! Flower beds, the bandstand and a multi-use games area to play on.

Explore the park by doing a colour hunt. Use the colours of the rainbow for inspiration (Red, Orange, Yellow, Green, Blue, Dark Blue/Indigo, Purple/Violet) and see if you can find 1 thing that matches with each. Fastest wins!

Photography Walk

The Peace Memorial Park is different to most of the other parks in the borough. It doesn't have as much open space but there are lots of other areas of interest, so why not get out your camera and explore what's on offer?

Some tips to get started: Pick a theme that your photos are going to be based around. It could be a certain colour, a shape, things made from wood,

seasons, or anything else that you can think of. Once you've picked your theme, head out for a walk around the park and see what photos you can take that fit with it.

You can use a camera or your mobile or tablet. Whatever you use, please be considerate of other park users. Take some time to review your photos after your walk. You could even print some out!

Invite a friend to join you and see what different inspirations you can come up with.
